Welcome to OverDrive

Overdrive is recommended for Kindle Fire tablets 2nd Generation and up.

1. Install the free Overdrive app from your device’s app store.
2. Open Overdrive. Tap Sign Up, then tap Sign up using library card.
3. Find your library (Williamsburg Regional Library).
4. Sign in with your 14-digit library card number.
5. Tap “Add a library.”
6. Search for library and tap on Williamsburg Regional Library in the search results.

BORROW & READ BOOKS

- Tap the magnifying glass in the top left to search or scroll down to browse.
- After tapping a title, tap Borrow if available or Place Hold to get in line.
  *TIP: You may have 15 checkouts and 15 holds at a time*
- Borrowed items, holds, and wish list are found under 📚
- From Loans, tap Read now with Kindle, Download EPUB book, or Read now in browser.

Read now with Kindle, takes you to Amazon’s site where you will sign in with your Amazon account, and then click “get library book” button. The book will transfer to whatever Kindle devices you have linked to your Amazon account.

Download EPUB book will let you read in the Overdrive app. After downloading, tap on menu icon on top left, then Bookshelf, to open and read your downloaded titles.

Read now in browser will let you read in your internet browser.

To return early, go to Loans and tap Return.

To renew, an icon will appear under the title in Loans if the book is available to renew 3 days before it is due.
